

CCNBNA CELEBRATING 50 YEARS 1973 – 2023

Education Committee CE Workshop

Session One 0800 – 0945 AM: *Diabetes Management: Updates & the Pros & Cons of GLP1 Medications*

Presenter: Ronald A. Hickombottom, MD

Session Two 1000 – 1145 AM: *The Impact of Gun Violence on the Health Care Delivery System*

Presenter: Michael McGee, MD, MPH

Fee: Each session \$20

CE Approval: Ohio Nurses Association

CE per session: 2.0 hours per session

Note: There will be a question and answer session following each presentation. Members of CCNBNA and local health care experts will serve as moderators and panelists for each question and answer session.

Please access the CCNBNA website at <https://chicagochapternbna.org/> for additional information about the 50th Anniversary event. You may also pay for your CE session via the website. In the comments section for your payment, indicate the session(s) that you plan to attend.
